Council Report

December 4, 2009

Riverside Skating Center opened for the season on November 27th. The rink was particularly "packed" on the 28th, with many people enjoying ice skating in sunny, 50+ degree weather. The rink will be open through the first week of March. Information is available by calling 743-RINK (7465).

Development of the new Village Fitness Trail is underway. At the high school track segment of the trail, asphalt and concrete work was completed and fencing, lighting, and signing will be completed this winter; a latex track surface and landscaping will be installed in the spring. Marking of the fitness trail connection (by sidewalk) from Morton Community Center and the West Lafayette Library to the track will be completed this winter as weather allows.

Thanks to all the 2009 contributors to the West Lafayette Tree Fund – the fundraising effort exceeds \$16,000 to date. There were 141 new trees planted throughout the city this year.

The Sagamore West Farmers' Market "topped off" their season with another successful pre-Thanksgiving market on November 25th.

Eighty-six WLCSC 2nd and 3rd graders are participating in the basketball program this year.

The next Park Board meeting will be December 21st at 4:30 PM in Morton Community Center.
